ALS
7 people in dark bulky clothes standing + walking
around in snow, waiting, but also looking for
something. All seem depressed. To their left rear
is a group of buildings all fifty - some a
neighborly each other. Don't seem to be dwellings -
more like storage or low intensity industrial
facilities, or perhaps military-related structures.
Area is open, but hemmed in by higher elevations
(Hills) with ~~the~~ ALS stands of straight dark trees.
Much open space w/ low vegetation + snow -
reminds me of white sage flats in the high
ranges of the Great Basin
